INFORMATION DISCLOSURE STATEMENT

Pursuant to the duty of disclosure, good faith and candor required of Applicants before the Patent and Trademark Office under 37 C.F.R. §1.56, and in accordance with the provisions of 37 C.F.R. §§1.97-98, the references listed on the enclosed form PTO-1449 are submitted for the consideration of the Examiner. The filing of this statement and the submission of the listed references shall not be construed as a representation that no better art exists, nor should this statement be construed as an admission that any references listed herein are, or are considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

Copies of the listed references are enclosed with this statement.

The following is a concise explanation of the relevance of the German references which are not in the English language:

German publication DE 44 39 866 A1 and 295 01 098.3 were cited in the International Search Report for the PCT application which is the parent application of the present application. Applicant received the patents as printed, that is, in German, and Applicant has not obtained a translation. Applicant has included the patents in this Information Disclosure Statement because they were cited in the International Search Report.

Respectfully submitted,

Michael V. Drew
